### Long-lasting prints with Epson DURABrite Ultra Inks

Epson DURABrite Ultra Ink is renowned for its smudge, fade and water-resistant qualities, but you can also be assured of sharp black text and glossy photos to meet both your general and photo printing needs.

### Excellent Print Speed to Boost Productivity

Maximise time efficiency and productivity with an excellent print speed of up to 26 pages per minute. Achieve more in less time with printouts that can be ready faster, and are of fabulous quality.

### High Resolution for Superior Quality

With a high resolution of 5760 dpi, you are always assured of high quality printouts. The Epson Stylus® T21 is also capable of producing quality borderless photo prints, making it a convenient tool for your creative photo projects.

### Photo Perfection with Epson Creativity Suite

The Epson Stylus® T21 comes with powerful and easy to use photo and document management software including the programs overleaf.

## Epson Easy Photo Print

Achieve photo lab quality prints in just 3 steps with this easy to use software.

Step 1
Choose photo

Step 2
Choose size & media

Step 3
Print

## Epson PhotoEnhance

Epson PhotoEnhance gives you beautiful and natural prints with automatic adjustments of skin tones, colour casts and exposure levels.

Before After

## Red Eye Correction

Pictures with red eye effect can be easily corrected at a click of a button.
